## Give a pup a home

this Christmas

THIS ONE  
IS  
PEDIGREED

With a 5 year record of proven performance the Toro Sno Pup is clearly a man's best friend. This little pup has the power of two and one-half horses yet only weights 27 lbs. P.S. Feed him only when you use him! And he'll have you whistling a new tune... "It's so nice to have a pup around the house."
