Good natured male. Family man. Great with kids.

Attractive, middle-aged companion. Knows every trick in the book. Ready to settle down.

Energetic mischief maker. Has lots of love to give, but no one to give it to.

Fine, upstanding individual. Tired of singles scene. Wants long-term relationship.

Single, independent male. Likes seafood, birdwatching. Desperately needs someone to share it all with.

They're handsome, faithful, and fun to be with. But right now, they're lonely. These are just eight of the hundreds of perfectly healthy animals waiting at the Michigan Humane Society (MHS) for that certain special someone to go home with. Someone, we hope, just like you.
Because you can provide what we can't: a permanent home. One that will be filled with all the love and attention they deserve.

But if you're already spoken for, there is another way you can help. Your donation to the MHS, no matter how big or small, will help us give these animals the best care possible and the chance for us to find them a proper home.
So, share your love with those who need it most: the bachelors and bachelorettes at the Michigan Humane Society.
