Nursery takes applications

United Hebrew Schools Nursery School offers a preschool program with a variety of experiences for the young child. Staffed with highly qualified personnel, children develop social and educational skills in a caring environment.

United Hebrew Schools Nursery School will have classes for children from 18 months to 5 years this fall. There will be an all-day class for 2 year olds, and a class for children who turn 5 after the public school deadline.

The nursery school has two, three and five full or half-day programs, with extended hours before and after

school and a lunch program. There are mother, toddler and by-myself classes. The program includes field trips to places of general and Jewish interest. Emphasis on math and reading readiness are part of the everyday program. Four Super Sundays, parent coffees, parent workshops, a Shabbat Dinner and Summer Camp are all part of the program.

For more information, an application for fall semester or summer camp or visit to the school, call Carol Gale, director of the United Hebrew Schools Nursery Schools at 356-7378 or 354-1050.

A defense against cancer can be cooked up in your kitchen.

There is evidence that diet and cancer are related. Follow these modifications in your daily diet to reduce chances of getting cancer:

1. Eat more high-fiber foods such as fruits and vegetables and whole-grain cereals.
 2. Include dark green and deep yellow fruits and vegetables rich in vitamins A and C.
 3. Include cabbage, broccoli, brussels sprouts, kohlrabi and cauliflower.
 4. Be moderate in consumption of salt-cured, smoked, and nitrite-cured foods.
 5. Cut down on total fat intake from animal sources and fats and oils.
 6. Avoid obesity.
 7. Be moderate in consumption of alcoholic beverages.
- No one factor causes cancer alone.
