## Sharing the joy.

A new baby is a happy event that everyone in the family wants to share. At Huron Valley Hospital we like that special feeling. Here, new moms help plan their own birthing experience — traditional or a more intimate natural birth shared with the family. Every mom enjoys a special room where the whole family can share the joy. Our Couplet Care keeps mom and baby together, except when mom needs special rest or baby needs special care. Our Primary Care Nurses and House Physicians in obstetrics/gynecology and pediatrics are here 24 hours a day — always available when mom's own physician is not in the hospital. Specialists in neonatology and perinatology are available for consultation around the clock.

If you are planning a family, phone for our Maternity Booklet, and details about Family Life Education classes. For help finding an obstetrician or pediatrician, ask for our referral service. Call (313) 360-3450.
