Mental Services Funds Renewed

A federal staffing grant for ental retardation programs adds.

Oakland County has been The specific programs

in oatland County has been renewed for 1971, announces George Boswell, director of MR services for the Community Mental Health Services Board.

The grant, which in 1971 will pay \$179,007 toward salaries for professional and technical personnel, was originally awarded in 1959. Oakland County will spend an approximately equal amount next year in the specific programs covered by the federal funds, in addition to the county's other mental retar-

Counseling and evaluation provides psychological diagnosis of mental retardation, as well as problem-solving advice, to parents, school personnel and others. The vocational rehabilitation and recreation-activities programs operate in several locations in Pontlac and Oak Park.

The federal staffing grant pays a decreasing amount

dation activities, Boswell adds.

The specific programs funded are vocational rehabilitation, recreation and activities programs, case information service, and half of the counseling and evaluation division. Case information is a new service of the Community Mental Health Services Board, expected to be operational in 1972. It will offer comprehensive computerized records on all mentally retarded individuals in the county.

Counseling and evaluation provides psychological diagnostic compared to the county.

The federal staffing grant pays a decreasing amount annually for 4¼ years. Total value of the grant is expected by Boswell to bé about \$542,000.

Engineering

The school of engineering at Oakhad University will present a special National Science Foundation-supported short course in "Modern Engineering Applications of Coherent Optics and Holography" for college teachers in engineering. This three-week course will be conducted under the technical directorship of Dr. Joseph Der Hovanesian and is planned for the period June 14 through July 2, 1971.

The program will emphasize the applications of modern optical techniques in engineering analysis. Included will be topics on: imaging, holography, interferometry, moire techniques, photoleasticity, stress analysis, thermal analysis, spatial filtering, contouring and other recolouring and other recolouring and other recolouring physics and interdisciplinary sciences who desire information should write or call the short course director. Joseph Der Hovanesian, (333) 377-2000, extension 2083.

Cavanagh To Speak

Jerome P. Cavanagh, former mayor of Detroit, will speak on "Crisis in Government" on Thursday, Dec. 11 before the Oakland County chapter of National Assn. of Accountants.

The meeting will be held in the Holiday Inn, 11 Mile and 1-696 Freeway, Southfield. Cocktalls will be offered at 6:15 p.m. and dinner will be served at 7 p.m.

Reservations may be made by calling Jim Rumpsa, 961-4400.
