Who's more qualified to prepare a ski package than the Finns — whose skill at playing in the snow has copied so many Olympic awards? This fantastic holiday offers a choice of combining Austria's rollicking Kitzbuhel and Seefeld. Or skiing in Switzerland's yet-to-be-discovered Jungfrau. And the prices are as appealing as the places!

## State OKs School Bonds

Attorney General Frank J. Kelley, chairman of the Municipal Finance Commission, announces that the commission has approved \$500,000 of tax anticipation notes for Farmington Public School District.

Kelley said: "The proceeds from the sale of these notes will be used to operate the district until taxes come due. These notes are to be dated Dec. 18, 1970, are to be due Jan. 18, 1971, and will carry a maximum interest rate of 8 per cent."

## Hair'n Around

by John Ryan

Vacationing? Don't swim in chlorinated pool without well-fitting cap. Chlorine can ruin hair.

On the plump side? Choose suit or two-piece dress with jacket ending just above or at waist. Gives longer hip line; taller, slimmer look.

Brown hair and eyes become striking above warm colors. Wear browns with lots of red in them, yellows, even orange if skin is clear.

Foxy way to stretch perfume: mix with toilet water of same scent. Lasts beautifully on skin.

Long-ago Russian beauties rubbed coarse salt on face and body, to preserve skin against aging and make it glow.

Your face will glow when it's framed with a soft wig from
