

The Sheffield

The four-bedroom Sheffield is a classic contemporary with soft English influence. Immediately noticeable is the 33-foot covered entrance walk leading to the large, free-form, two-story foyer with angled walls and bridge. The kitchen features solarium windows, two-story foyer, island and hardwood flooring. The master bedroom has a large bay window and pan ceiling. The master bath has a Jacuzzi, solarium window wall, attached deck. The traditional dining room, with wood awning windows, has spacious decking surrounding it. The library has built-in bookshelves, a spacious bay window. The great room has a vaulted ceiling, fireplace and wood awning windows. Approximately 3,700 square feet, the house has 3½ baths and is in the \$300,000-\$540,000 price range. Interior design by J. L. Hudson's.
