## **Observer** Want Ads Mean Money To You!

With thoughtful planning, moving day can be a profitable day for your family. Many people, who discover good items they no longer need at moving time, are faced with the problem of whether to move, store or give them away. These very items mean cash to you!

Here's all you do. While you're packing and sorting, keep a pencil handy and jot down things you find you'no longer use or enjoy. That wedding present that you never particularly cared for, the lamp that doesn't match your new living room, outgrown clothing, that spare set of golf clubs, the musical instrument no one plays anymore ... you're sure to find much more to add to the list.

Then, when you finish your list just dial 522-0900 and give it to the friendly Ad Writer who answers. She'll help you word your ad for fastest results. A 15 word/line ad is only \$2.70 per day. And, when you discover you need furnishings for your new place, check the money-saving offers you find in the Classified Ads.

This time, make your move profitable . . . by reading and using Observer Classified Ads.
