In the spirit of the season, the Farmington Club members can be seen at the club's Christmas party on Saturday night. The party was held at the club's dining room and was a most successful one. The club members were entertained with a large - wreaths of pinecones and nuts, evergreen garlands festooned with grapes, a tree with red apples and strings of beads, candy canes made from J-Ho molds, and large piled in a toy wagon or antique sleigh. The club members took these pictures of the work of members of the club. The club members of the Farmington Club and the Club members of the Farmington Club are shown in the pictures.
