

WHY DID THE BEANBOTTEMS

KICK COUSIN ELMER OUT OF THE FAMILY TREE?

Uncle Harry owns his own business. He owes his success to Observer Want Ads (he also owes Cousin Herman \$5)

Cousin Herman uses Observer Want Ads for EVERYTHING

Aunt Gladys found a great pair of binoculars in the Observer Want Ads (not that she's nosy or anything)

Uncle Melville tells all his students about the great bargains they can get with Observer Want Ads (he teaches economics)

Cousin Fenwick found his ballet slippers in the Observer Want Ads (we worry a lot about Fenwick)

Cousin Harriet is Cousin Herman's sister — she uses Observer Want Ads for EVERYTHING

Cousin Elmer had the misfortune to ask "What's an Observer Want A-A-A-a-a-dddd?" (he was asking while falling)
