Caring... as a commitment as a career ...nursing

SICU nursing opportunities!

Catherine McAuley Health Center, which includes St. Joseph Mercy Hospital, is a comprehensive, tertiary care health center with a strong commitment to nursing excellence. We've just expanded our Surgical Intensive Care Unit, so we have some exciting, challenging opportunities for RNs.

You'll begin with a 9-week orientation program, which includes 3 weeks of critical care classes, to provide you with an excellent base of knowledge. We care for diverse patient populations, including people who have undergone a wide variety of surgeries.

You'll be able to select 8-hour shifts, 12-hour shifts or some combination of these. All our open critical care positions rotate days and nights. We prefer that you have 1 year's experience in medical or surgical nursing.

Compensation is excellent with our new salary scale and benefits packages. For more information, call us collect at 513/572-3672 or send your resume to the address below.
