

Michcon executive to receive top honor

The Engineering Society of Detroit will honor Linda Deschere with its 1989 "Outstanding Civic Involvement" award.

The 8,200-member organization annually recognizes significant achievements at the Gold Awards Banquet, to be held this year at the ESD Detroit headquarters Feb. 22.

The Farmington Hills woman is Michigan Consolidated Gas Co.'s director of resource planning, with overall responsibility for operational plans and corporate budgets.

"Linda demonstrates a tremendous ability to get involved in projects and make them a success," said ESD spokeswoman Nancy Phillips.

Deschere was chosen because of her professional contributions and extensive involvement in community affairs. Among her outside interests: the Junior Achievement program; Chamber of Commerce Business/Education Alliance; Mayor's Commission on Casino Gambling; YNCA of Farmington; U of D resident's Cabinet Volunteer Task Force; Salvation Army; Capuchin Soup Kitchen and Volunteers of America.

This is the third year ESD has handed out an award for outstanding civic involvement. The group is honoring its own at this particular time because Congress has set aside the period of Feb. 19-25 as "National Engineering Week."

Deschere is a licensed professional engineer and member of the State Bar of Michigan.

Linda Deschere civic leader

obituaries
