"Diet Center helped me look like a million."

Susan Saint James
Susan Saint James, actress, mother and Diet Center success story.

If millions of people watched you on TV every week, wouldn't you want to lose weight fast? I did! Here's why I went to Diet Center:

- Lose fat, not muscle. Research shows 92% of the weight lost on the Diet Center program is excess fat, not water or lean body mass.
- Eat real food. No expensive pre-packaged meals required, just wholesome foods from the grocery store.
- Lose weight fast. Energize your body while

pounds and inches melt away. ■ Get the star treatment. Diet Center treats every one special, with one-to-one professional counseling. ■ No contracts. You stick with the program because it works.

You'll feel the difference.
