

Comedy helps to lighten cable fare

Keith Croker, John Hopkins, Dennis Moylan and Dave Witt have teamed up to bring laughter to the Channel 12 audience.

They're ready after six months of writing skits, meeting at Tally Hall for preproduction sessions, and 70 hours of editing, incorporating 500 edits, into a 25-minute show.

Fascinating statistics reinforce that local television has a significant range of personal dedication and technical options. "The arena of comedy is very difficult," producer Keith Croker said. "Timing and sensitivity to word translation is crucial."

We must watch for this variety comedy special entitled "Unleaded Fowl Ownley," on Channel 12, March 31 at 7 p.m. Friday and April 5 at 7:30 p.m. Wednesday. Repeats have been requested for several Fridays alternating between 4 and 7 p.m.
