Hawk Magic put in a long day Saturday, playing three games that had starting times of 8:45 a.m., 1:45 p.m. and 10:30 p.m. In the first game, Magic jumped in front 18-7 in the opening quarter and coasted to a 65-36 triumph over Mount Clemens Algenguin.

smith paced the victory with 14 points, including a pair of triples, and Logan had 18 rebounds to go with 12 points. Teachman and Rooney added eight apiece. Clato, who chipped in six points, pulled down 10 rebounds. Smith also had five assists and Teachman flux.

West Bloomfield was Hawk Magic's third straight vicilm, though the winners faced a size disadvantage. Leading by a point at halftime, Magic outscored West Bloomfield 36-28 in the second half and won 61-52.

"OUR INSIDE people hustled big time in the second half," Turnquist said.
Cisto and Logan, both of whom stand 5-foot-10 and were going up against 6-3 and 6-2 opponents in the low post, combined for 25 second-half points. Cisio scored 15 of his game-high 21 in the last two quarters, Logan 10 of his 14. Both players had 17 rebounds anicec, to both

Smith added 14 points, Teachman eight.

Hawk Magle couldn't topple two Gollaths in the same day, however. An even taller Holland quintet, with a pair of 6-2 forwards

and a 6-4 center, put Hawk Magic on the sideline with a 61-50 defeat.

Hawk Magic led 41-38 through three queres, but Holland turned the game around in the finale and outscored Magic 23-9. After making a triple at the third-quarter burge, Holland was 11-of-15 from the floor in the fourth period.

Holland's late raily and the resulting dent for Hawk Magic overshadowed a 2-2 point, 13-rebound effort by Logan. Smith scored 12 points, and Cisto tacked on eight points white grabbing 15 rebounds. Utiles Eisenbower defeated Holland in the semilinals, and Allstate White knocked off St. Clair Shores Oakridge, the eventual consolation whener, in the other semifinal game.

• Changing the Class A final game to the evening for the first time since 1971:
Interesting suggestion, but I remember the last evening Class A final. It erupted into a riot between fans from Detroit Kettering and flint Northern. Chairs were flying everywhere at Crister.

The alternoon is fine with me, but let's face it, who looked forword to Chris Webber dunking at will over Ishpenning in the evening Class C final this year? By halftime, every-body had pretty much cleared out. It'made a long day longer.

• Consideration of a six-foot coaching box in front of the team beach area (basketball).

It seems the National Federation, while Roberts adores, has changed its tune for the 1989-90 season.

It seems the ball-and-chain rule coaches have been subjected to the past two years is on its way out.

Roberts likes the controversial rule because it keeps coaches in line, but we all know that the rule is challenged night-in and night-out. A coaching box would be a nice compromise.

Don't football coaches have to be within the 30-yard lines? Some unqualified officials have been awarded championship games by enforcing the rules to impress MHSAA honchos.

Continuation of individual and team dual tournaments is wrestling:
 The new dual meet tourney format coinciding with old individual tournament format is a joke.
 Coaches who don't have strong teams will continue to sandbag during team dual matches to sacrifice in order to rest a potential individual state qualifier.
 I've seen many of state dual meet matches where the team's top wrestlers were held out on Wednesdays, so they'd be fresh for the individual meet on Saturday.

How many wrestling tournaments should we be subjected to?
