### Picture! Picture! photo processing.

With Arbor's Picture! Picture!™ you get even more than two sets of prints for the price of one. You now get two sets of larger-size prints for one low Arbor price. That includes overnight service seven days a week, or your pictures are free! Or choose Arbor's Picture Plus where you get 1 set of larger prints and a free roll of film. And your pictures are always covered by Kodak's Colorwatch System for truer colors. Just another quality "plus" from Arbor.

Now with Arbor's Picture! Picture!™ Club, your film earns you bonus points for free gifts. You can win anything from photo albums and Kodak 35mm cameras, to a weekend at Detroit's Westin Hotel!

### Our prescription of quality.

At Arbor, "quality" means professional, prompt service combined with a range of generic and brand name pharmaceuticals. Our pharmacists will take the extra time to give you careful explanations. They will even suggest generic drugs that save you money, while meeting the exact requirements of your doctor's prescription. And at Arbor, we not only welcome almost all insurance plans, but we also welcome you.

Only Arbor has ArborTech... an automated computerized prescription service that provides instant information on your pharmacy record. Besides being a time and money saver, ArborTech can be a lifesaver, by identifying possible drug interactions and allergies.

### Save on health and beauty aids and cosmetics.

You don't have to wait for special sales to stock up on your favorite health and beauty aids, including designer fragrances and cosmetics. From cologne to cosmetics, from soap to shampoo, you'll find them all for less at Arbor... including over 1,000 of Arbor's own brand of health & beauty aids.

Arbor carries a wide variety of designer fragrances for women and men at everyday discount prices. You'll find your favorites like Obsession, Opium, White Shoulders, Poison, Fata, Dreckler, and more!
