

Sculpture installed at library

"Quest, a life-size bronze sculpture by Edward Kasprovicz, was recently installed in the lobby of Bloomfield Township Public Library. This work, a gift from the Friends group, depicts readers from the opposite ends of the age spectrum. The Friends commissioned it after conducting a competition in which a wax model was submitted. Kasprovicz has a master's degree in fine arts from Wayne State University where he now teaches. The sculpture is now the focal point of a new entry area, part of a 18-month expansion and remodeling project. It is at 1099 Lone Pine at Telegraph, Bloomfield Township.
