

## Brit touch

You don't have to be British to live like the lord of the manor. All you really need are the three Cs of English country decor — comfort, clutter and color. Exemplifying these traditional virtues is the overstuffed sofa dressed in a color hallmark floral print (by La-Z-Boy), a deep-seated reclining wing chair, a seemingly endless array of personal mementos and a bit of English whimsy — a Victorian bird cage. For more details, see the story on the next page.
