ness of beauty, vitality of color, care of hands, nails, and hair, exercise, nutrition, stress, secular sex, massage, plastic surgery and more. Here are tried and true maxims of health and beauty, based on expert knowledge to practice for a fuller life.

"I WANTED to write something for every woman."

Free from tyranny

The framers of the Constitution of the United States believed in the right to live and work — free from tyranny. Quakerstown Chapter Daughters of the American Revolution reminds us that we must be vigilant to protect the freedoms guaranteed to us by our Constitution. Lost rights may never be regained. Celebrate Constitution Week by resolving to be better informed responsible citizens. Read your Constitution.
