## Bedrooms separated from activity centers

Up a few steps to the entry deck and through buble front doors sits a tiled foyer. Open to the cond story, it creates a formal introduction to the

To the left is a sunken living room with skylights 16 its vaulted ceiling, a corner fireplace and a symmeterical arrangement of narrow and wide windows in a modified bay. To the right is a den with a bay window. Up a few steps is a half bath. A utility room is found near the steps leading down to the sarane.

The second story is dominated by a high-ceiling master suite and adjacent study, which boats a shay window and fireplace. The sleeping area, with sliding glass doors to a private balcony, measures 15 by 14 feet. A step up leads to the bath, equipped with a combined spa/tub, double ainks and a separate shower.
