

Art of Poland group seeks new members

The Art of Poland Associates is initiating a membership drive in the Detroit area. Everyone interested in Polish art and culture is invited to join.

The Art of Poland Associates is the only Polish auxiliary in a major American Museum — the Detroit Institute of Arts.

Art of Poland Associates promotes more than 1,000 years of Polish art and culture and was created to represent the more than 800,000 Polish-Americans in the Detroit area.

As an auxiliary of the Founders Society Detroit Institute of Arts, Art of Poland Associates promotes Polish art and culture and the Polish art collection at the museum. It sponsors exhibitions, lectures, films, stage presentations, concerts, art tours and other activities that increase the understanding and appreciation of Polish art.

THIS IS the first major member.

ship drive of the Art of Poland Associates since its founding March 9, 1981.
