The saturday banl

Does your banker stick around on Saturday so you can get a loan, make a payment or cash a check?

We have a lot of customers who used to forget to bank on Friday. They switched to Livonia National Bank because we stay open all day Saturday, til 4:30 p.m.

Customers call us "The Saturday Bank."

Many of these people are the same ones that used to say, "It's after three and I forgot to go to the bank ... "

That's the reason we added an extra hour and a half of banking time to every weekday ... including Saturday.

We believe we should be open six days a week with "customer hours." We let the other banks have the "banker's hours."

If you have trouble with a short bank day and weekend banking, why not switch to "The Saturday Bank" with 4:30 hours.

Open Mon. thru Sat. 'til 4:30 P.M. ... 'til 6:00 P.M. Fri.
