THE Show-N-Save™

SYSTEM SAVES YOU A LOT OF MONEY
when you sell your home, condominium or other property.

You agree to show your own property to prospects but, other than that, you receive a full range of real estate services. You don't pay a commission. YOU DON'T PAY ADVANCE FEES! You pay anything except a low, flat fee after the property is sold.

You Show Your Property! We Do All The Rest!

- We customize your home's marketing program so that you pay only for the services you use.
- We advertise your property at least once a week.
- We use all our resources to find you a buyer.
- We help you set the price and estimate what you will make on the sale.
- We help your buyer obtain quick financing.
- We set up our award-winning sign on your lawn.
- We determine closing costs, assist you in the closing arrangements, represent you at the closing, and help prepare closing papers.
- We appraise each offer with you.
- We help you avoid work around problems.
- We show your home and/or list it with Multi-List Service, if you wish, for small extra fees.
