The first public hearing will be held Thursday, Jan. 28, at 8 p.m., by the Farmington Township Planning Commission in the Township Hall at Orchard Lake and 11 Mile Rds.

Final action, however, is not expected by the planning commission at Thursday's hearing. The commission will probably decide whether to recommend denial or approval at its February meeting, and the township board will then make the final decision.

PUBLICATION AND SERVICE shall be made as provided by Statute and Court Rule.

\$50 million center in Milwaukee.

Taubman has started construction on five other centers: a \$65 million project in San Jose, Calif.; \$90 million complex near Chicago; \$30 million center in Milwaukee; a \$50 million center near Hartford, Conn.; and the \$50 million Briarwood center in Ann Arbor scheduled to open in 1975.

THE FARMINGTON Township proposed development would cost between \$50-\$60 million and is one of four other projects now in the planning stage for Taubman.

The Taubman Co. received an unexpected compliment recently in the July 1970 edition of Fortune magazine. An article about life insurance

companies power over commercial real estate in the U.S. commented:

"The developer can, as the saying goes, take it or leave it. Many leave it; that is, they don't build ...

"There are, however, a few developers who actually benefit from the insurance companies' more aggressive entry into real estate finance. Cabot, Cabot & Forbes of Boston and Taubman Co. of Southfield have such outstanding 'track records' that permanent leaders compete to make deals with them."
