

police/fire calls

Listed below are some of the Farmington-area police incidents, fire calls and court cases reported during the past week:

● KNIVES SEIZED

A switch blade knife was found on a cafeteria floor underneath a seat at East Middle School, 25000 Middlebelt, Wednesday afternoon. School officials believe it may have fallen from a student's pocket as he bent over to pick up trash.

An unshathed, 6-inch-long survival knife was found between the driver's seat and the driver's door of a car during a traffic stop at Grand River and Albion Thursday. The driver, a 31-year-old Madison Heights man, faces a concealed weapons charge.

● WOMAN ASSAULTED

A 20-year-old Southfield woman

told police she was assaulted in a Farmington Hills parking lot by a man who offered to give her a ride from Detroit Friday.

According to a Farmington Hills police report:

At 12:15 a.m., the woman hitched a ride home from Six Mile and Grand River. Instead of driving her home, the man drove to the West River Centre, Grand River and Taft.

When he parked behind Target, she opened the car door, but he grabbed her, produced a knife and told her to stay put. She managed to get out of the car, but he hit her. In a struggle, he hit her, bruising her. She also cut a finger trying to keep the knife away. When she ran, he drove off.

● STUDENT HURT

A 15-year-old Farmington High freshman received minor injuries.

including a black eye, after a confrontation in a school hallway before the start of classes last Monday.

The incident followed several days of tension the previous week between the victim, another student and three of the victim's friends, according to a Farmington Department of Public Safety report.

● 4 NABBED

Four Detroit residents face charges in connection with the theft of three wheel covers from cars parked at Vladimir's Banquet Hall and Drakeshire Lanes Thursday night.

One of the attacked cars belonged to Lt. Richard Murphy, Farmington Hills police said.

Crime Suppression Unit surveillance officers arrested three men and one woman, ages 29-40, shortly after a larceny of wheel covers from a Buick parked at Drakeshire Lanes at 10:15 p.m.

Ten wheel covers were found in their trunk, some taken from the Buick.

Four wheel covers had been taken from an Oldsmobile parked at Vladimir's earlier that night. The Olds belongs to Lt. Murphy, attending the holiday party.

● SMALL FIRE

Damage was estimated at \$100 when scaffolding equipment caught fire at a construction site at 12 Mile and Halsted Wednesday afternoon.

A heater ignited straw at the base and spread up to the top scaffolding on the third floor.

● THEFTS REPORTED

A VCR valued at \$250 was reported stolen Dec. 8 from a house on Waldrum, Farmington Hills.

A VCR, a cassette radio, a briefcase, a clock radio-telephone, jewelry and Red Wings season tickets valued at \$1,670 were reported stolen Dec. 8 from a house on the 2100 block of Orchard Lake Road, Farmington Hills.

A color television set valued at \$400 was reported stolen Dec. 8-9 from Little Valley Mobile Home Park, 31400 Eight Mile, Farmington Hills.

Two VCRs, an antique clock, a

computerized phone, a clock radio, jewelry, two televisions, a TV-radio and a coffee pot of undetermined value were reported stolen Dec. 12 from a house on Canfield, Farmington Hills.

A mower valued at \$900 was reported stolen Dec. 12-13 from Mini-Max Storage, 34100 Nine Mile, Farmington.

Forty compact disks, a 35 mm camera, a coin collection, a beveled-glass wall mirror and a stereo system valued at \$3,180 were reported stolen Dec. 14 from a house on Millbrook, Farmington Hills.

A color TV, a gold chain and a rifle valued at \$500 were reported stolen Dec. 14 from a house on Cervin, Farmington Hills.

New Math.

Add this to this and get this.

This new year you can help your kids with their math and a lot of other subjects, while you add up some great savings with Apple Cash Back offers!

Just buy a qualifying Apple II system between October 11 and December 31, 1989 and you'll receive a \$150 cash allowance toward the purchase of select Apple add-ons like a printer or a modem.

When you buy an Apple II, you get a computer that does a lot more than simple addition. It's compatible with one of the largest educational software libraries available anywhere. And when your child is using the Apple II to become a math whiz or spelling expert, you can prepare your tax returns or complete the family budget with ease. Use home production software.

When you add it all up, now is a great time to buy an Apple II system. Hurry in today for a smart addition to your whole family's wallet.
