

Raiders finish 5th in close WLAA Relays meet

Continued from Page 1

Scott DeWolf, along with Mike Goecke, took the meet's opening event, the 400 medley in 3:48.11.

North captured the next three events.

Jerry Jelie, Jamie Greenstein, Chris Knoche and Chuck Chuba took the 400 freestyle (3:36.16), while Danny Knipper, Steve Bockock, Adam Pfeifer and Chris Knoche won the 400 butterfly (2:05.9).

The Raiders completed the half-tri by taking the 200 backstroke, as Mike Dreher, Jim Nicholas, David Gerts and Dave Adams were clocked in 1:52.97.

BUT NORTH'S RUN ended when Northville came back to reel off a

hat trick of its own, winning the 200 butterfly, diving and 400 individual medley relays.

Salem broke through in the crescendo relay as Chris Calcia, Joe Pawluska, Craig Wilsher and the meet's top individual, Ron Orris, combined for a first place time of 4:26.13.

"Orris was just awesome," said Gendron. "He was way above his class. He's an exceptionally talented swimmer."

Orris also helped Salem to a second place finish behind Stevenson in the 200 medley, teaming up with Curt Witthoff, Mark Ericson and Pawluska.

Calcia, the defending WLAA relays champion, also made a strong

showing despite not taking a first. "Canton swam a beautiful meet and they're going to be a factor,"

said Buckler. "It's going to be a great Buckler. "It's going to be a great

league meet (Feb. 26 to March 2)."

The Stevenson coach said there are three key ingredients to winning the WLAA relays.
