In the battle for newspaper advertising, we've got Detroit surrounded.

New rates. New contracts. New strategies. More houses. When Detroit's dailies joined forces, all the rules changed.

If you're a bit dazed from the JOA fall-out, don't retreat.

Re-spring. Re-arm. Advance.

SPRING's network of 45 newspapers can help you deliver your message to more than one million readers in more than 500,000 suburban Detroit households. Readers with the spending power, smart, and savvy to buy what you want to sell.

Best of all, SPRING reaches more readers for less than the News and Free Press. All with one simple media buy: one insertion order, one ad copy, one sales rep, and one invoice.

Sound like a good game plan? Call us today for a media kit and we'll help you score an advertising coup.
