Please Help A Neighbor's Child In Need!

In Third World countries, hundreds of thousands of children are in desperate need of food, clothing, medical care — the basics of life. These girls and boys are even denied the opportunity to attend school. They are our neighbors in a world that grows smaller every day.

Through CCF, you can sponsor a neighbor's child. The cost is \$18 a month — just one day — to help a poor child in Asia, Africa or Latin America — a child who has virtually nothing.

Please pick up your phone now and dial the toll-free number below. Be a good neighbor by helping an innocent child.
