One advantage of a Comerica home equity loan is obvious.

You might not even realize it, but many smart borrowers are taking advantage of the fact that the interest on a Comerica home equity loan is fully tax-deductible.* They're also discovering that Comerica charges no upfront fees** and gives you these three loans to choose from.

- **EQUITY LINE**—A credit line you can draw on when you need it with convenient check access. Line amounts available to \$200,000.
- **IDEAL CREDIT LINE**—A credit

line available when you need it offering check or VISA® access. Line amounts available from \$5,000 to \$20,000.

- **FIXED EQUITY INSTALLMENT LOAN**—A one-time fixed rate loan in amounts from \$5,000 to \$50,000 with fixed installment payments.

All three are ideal to pay for your children's education, consolidate debts, make home improvements, or even buy that dream car. Whatever need you

might have, a Comerica home equity loan makes a lot of sense. Because when it comes to borrowing money, there's no place like home. To learn more, call 1-800-292-1300 or visit the Comerica branch nearest you.
