Gardeners' art ready to bloom

TREAT yourself to a garden paradise by attending the Ann Arbor Flower and Garden Show April 6-8 at the...
A wonderful surprise will greet you as you enter through the Secret Garden Gate. Inside, you will discover thousands of blooming tulips, daffodils and azaleas, fragrant hydrangeas and colorful rhododendrons. Your senses will come alive with lush floral perfumes, running fountains and picture-perfect gardens you would love to call your own.

The "Secret Garden" title was chosen for the show to underscore the fact that the University of Michigan's Matthaei Botanical Gardens is one of the area's best kept secrets. Almost three years of planning have gone into organizing Michigan's largest indoor flower and garden show.

THE SHOW'S HIGHLIGHTS will be special exhibits by local chapters of more than a dozen plant societies, including Barbara Rose Impson, herb and cacti clubs. More than 100 displays and nursery tents, both traditional and contemporary schools of design, will create dramatic garden environments such as English, Japanese and native Michigan plant landscapes.

music designers will exhibit floral arrangements while area residents will enter their finest plant(s) into horticultural competition. Educational and environmental groups will have pictorial displays to illustrate their messages.

Be sure to browse through the Marketplace, which will offer unusual plant and gardening materials for the home or garden. After you have toured the entire show, rest and refreshments will be available in a special area set aside for that purpose.

The flower show, which will be at the ice area at 1909 S. State Street, will run from 10 a.m. to 9 p.m. Friday and Saturday, April 6-7 and from 10 a.m. to 5 p.m. Sunday, April 8. Tickets are available now at the Matthaei Botanical Gardens, U-M Michigan Union 33000 office, all Ticketmaster outlets, J. L. Hudson stores or at the door of the arena. Tickets are \$6 for adults and \$3 for children 12 years and under.

Proceeds from the event will fund the Matthaei Gardens' educational and public programs. Guidelines for the show have been established by the National Council of State Garden Clubs for a standard flower show.

For more information, contact the organizers at 764-2962 or 989-7242.

Here's where you can park

For garden show visitors' convenience, free parking is available at the Briarwood Mall on State Street and at Pioneer High School on 601 W. Stadium Boulevard.

Shuttle buses will run regularly to and from both lots to the flower show. Shuttle fare will cost \$3 each way.

For out-of-towners, State Street in Ann Arbor is easily accessible from I-94. Simply get off at State Street (Exit 177) heading north. Park in the Briarwood Mall lot, which will appear on the left side of State Street almost immediately after exiting 94. The shuttles will board passengers at the east end of the lot by Sears Department Store.

If you choose to park at Pioneer High School, get off I-94 at the Ann Arbor-Saline Road exit heading north-west toward Ann Arbor. Take Ann Arbor-Saline Road until it ends at Main Street. Veer onto Main Street, head north on Main Street and turn left into the Pioneer High School parking lot. Pioneer High School is on the corner of Main Street and West Stadium Boulevard.

About the cover: Welcome news

An artistic setting of a welcome sign graces the cover of this special Home and Garden section.

The welcome design is one of four competitive illustrations to be an display at the Ann Arbor Flower and Garden Show featuring the work of amateur floral designers.

The arrangement on the cover, however, is only an example of work that could appear. This setting was created by the Matthaei staff.

Matthaei horticulturist Adrienne O'Brien and Mike Hommel, gardens superintendent, trim some flowers from topiary figures that the gardens will have on display at the flower show. All the plant material for Matthaei's part of the show has been grown under O'Brien's watchful eye. Hommel is flower show designer, stage designer and production coordinator.

CONTEMPORARY **TRADITIONAL**

For the ultimate in custom made Entrance Systems. Oak, Walnut or Cherry. We have a complete line of stained and beveled glass French doors or just beautiful windows and architectural items. We repair glass. If you are building or just remodeling, bring your door list in for a quote on pre-hung door-units.
