State Probing **Hamilton Forms**

A hearing started Wednesday in Lansing charging the Alexander Hamilton Life Insurance Co. of America, domiciled in Farmington, violated the Michigan Insurance Code

The Insurance Bureau of the Michigan Dept. of Commerce contends the firm used two new forms strice to their

two new forms prior to their approval. The insurance company denied the charge and requested the hearing.

Frank J. Baker, the bureau's enforcement section director, told the Observer Newspapers Thursday Hamilton's attorneys fidel depail arguments contesting the charge at Wednesday and Thursday's sessions. He said no member of the firm gave verbal testimony.

Hamilton is accused of jumping the gun in its use of an application for insurance and an insurance policy.

BAKER said the firm started to use the forms in August, 1970, although they

BELTED

had not then been approved and that the customer would by the Insurance Bureau, obtain more interest benefits This agency, which regulates from the policy than was the insurance selling business really the case. In Michigan, approved use of the forms about 45 days

accused of in its use of insurance pilicy.

If firm orms in the the bureau on a strong that the bureau in the the bureau on a charge that two of its agents.

A decision on the case could be prolonged as much as 70 days, Baker said.

A decision on the case could be prolonged as much as 70 days, Baker said.

BAKER said the bureau on a charge that two of its agents.

Hamilton could be firm orms in the bureau on a charge that two of its agents.

Hamilton is also in the water with the bureau on a charge that two of its agents.

Baker said the agents are accused of misurance policies the firm of stood or as much as \$500 for the orms in the bureau on a charge that two of its agents.

Baker said the agents are accused of misurance policies the firm of stood or as much as \$500 for the orms in the bureau on a charge that two of its agents.

Baker said the agents are accused of misrepresention to their clients that insurance policies the saids contruyer coult in the sales contruyer coult.

Baker said the agents are accused of misrepresenting to their clients that insurance was only an incidental part of the sales contract, that the buyer could cash in the pol-icy earlier than was actually indicated in the document,

Plymouth

Hamilton was formed in 1963 in Plymouth and has grown into one of the largest insurance companies home-based in Michigan. It had over,\$1 billion of insurance in force in 1970.

Sun Steel Expands **Facilities**

Sun Steel Treating Inc., affiliated with Moore Production Tool Specialities, both located at 37531 Grand River, Farmington, reports it is expanding its heat treating facilities within a 16,000 square - foot addition.

When completed in about eight months, it will give the company the capacity to heat treat, under sub-contract, some of the largest tooling produced by industry.

According to Sun Steel Plant Manager Jack DeMere, the new facilities will include three new, highly sophisticated metal treating lines.
