that will be printed in the spring show's playbill. Another something new at the spring concert is refreshments that will be available during intermission.

Both will raise money for the chorus. "We want to buy a new keyboard that will give us a little more portability," Zorn said.

One of the facts that Zorn told

about the chorus which speaks for itself is the low turnover of singers.

"People move away — out of the area — but come back for Tuesday night rehearsals to be part of the chorus," he said.

"The camaraderie is unusual, I think. I joined the chorus because I just like to sing. It was something I've wanted to do ever since a chorus in junior high school. I think I'm typical of our members. We just like to sing."
