In premium with Citizens in 1989 and fulfilled all of the other requirements to qualify for the President's Million Dollar Council. The agency was one of only 30 selected from among 600 independent agencies in Michigan and Indiana that represent Citizens.

Capitol experience

Farmington Hills student Gary Otsuji knows that government is for everyone, not just the politicians. He attended the 4-H Capitol Experience in Lansing March 18-21. During his visit, he explored state government and policy-making. He met with state Rep. Jan Do-

lan, R-Farmington Hills, and other local officials to discuss how government handles substance abuse. His time at Capitol Experience prompted him to run for the position of SADD (Students Against Driving Drunk) officer at his school. He means it when he says: "Government is an important part of everyone's life. You need to get involved."
