Where would Her Majesty live in Birmingham? At Buckingham, naturally.

She'd love the royal park across the street. She'd tote on the spacious two-bedroom apartment with fresh new interiors from the most modern appliances to the best lighting fixtures to designer carpeting to contemporary verticals.

She'd like the uncommon amount of room and royal way the service staff treats her. After all, a person's home ought to be their palace.

NEW

It took me a long time to find the perfect apartment. Crystal Lake is where I found it. As a busy account manager for an architectural design firm, much of my time is spent traveling. Therefore, a centrally located home with access to highways and major surface streets was necessary. But, I didn't want to sacrifice a suburban lifestyle. Crystal Lake has provided me with both.

In addition, I have a brand new, luxury apartment with a beautiful lakefront view and many quality features I didn't expect. Best of all there was no luxury price tag! I find it a refreshing change to live in an atmosphere with my peers. And just as refreshing, there is a management staff that cares about me.

My search is over. Thank you Crystal Lake!

- Tina
