To prevent crime in Tucson, police use sensitive, highly sophisticated surveillance equipment: Tim, Rose, Gert, Anthony, Yvonne, and Ramon.

Citizen participation is critical to police effectiveness. Do you care about your neighborhood enough to help protect it?

The Case of The Tucson Tip-off

In a particular neighborhood in Tucson, Arizona, folks were having a real problem with burglaries and break-ins.

They started talking to each other about what they could do. They got fed up. About 400 people went to the police for advice. They learned about

surveillance. They got to know their beat officers. Citizens and police became partners in crime prevention.

In just three weeks, 17 arrests were made and burglaries went down 30%. And Tucson is only one case where people successfully worked to beat crime. To find out more, write:
