By C.C. Clark

GEMINI (May 21-June 20)

Don't seek revenge against others. The consequences are not worth it. Problems with a loved one may be resolved just by listening.

CANCER (June 21-July 22)

Business partners aren't seeing things clearly. It is important you realize a loved one could be under great pressure from an outside source.

LEO (July 23-Aug. 22)

Attend to even the most minor of details. At the week's end you'll have a feeling of accomplishment. Take time out to play during the weekend.

VIRGO (Aug. 23-Sept. 22)

This is an exciting time, but you may not always feel a part of it. Listen to your heart and you'll discover new things about yourself.

LIBRA (Sept. 23-Oct. 22)

Libras need a great deal of patience, especially when dealing with loved ones. Watch out for arguments and avoid confrontation if you can.

SCORPIO (Oct. 23-Nov. 21)

Lighten up. It is time to kick back and relax. Don't let others dissuade your pursuit of pleasure. Let someone else take over.

December 16 through December 22

SAGITTARIUS (Nov. 22-Dec. 21)

You are eager to begin a new work project. This is a lucky time for you in love relationships. Remember that special gift for a loved one.

CAPRICORN (Dec. 22-Jan. 19)

There is probably more action in your life than you can stand right now, but don't worry, you'll come out a real winner in all areas.

AQUARIUS (Jan. 20-Feb. 18)

Your imagination is at an all-time high and can work for you in many ways. Don't delay a tedious project, it'll be over before you know it.

PISCES (Feb. 19-March 20)

Stay out of a friend's romantic problems. You are good at helping others, but sometimes you need to help yourself even more.

ARIES (March 21-April 19)

You may continue to feel pressured, but by Friday it will all seem worthwhile. Your efforts have been noticed.

TAURUS (April 20-May 20)

Paperwork may seem more of a headache than it's worth, but stick to it. Be firm, but polite, when dealing with family members who live far away.
