

Easter baskets

In the spirit of a Longaberger family tradition, the company introduces its 1991 Easter basket. Made of hardwood maple, the baskets are crafted the same way they've been crafted since the turn of the century in Dresden, one at a time, entirely by hand. Each is initiated and dated by the artisan who created it. The Longaberger representative for Farmington Hills is Raeanna Heaton-Mooney, 553-0887.

"Questions and Answers About the Kidney Transplant Waiting List in Michigan," was produced by The National Kidney Foundation of Michigan, the Organ Procurement Agency of Michigan and the Renal Network of the Upper Midwest to educate the public about the organ transplantation process. The brochure addresses questions asked by kidney patients who want a kidney transplant, but

must wait for a cadaver donor because they do not have a suitable related donor.
