This week's question:

What's the nicest thing that ever happened to you?

We asked this question at Farm Hills Doughnuts in Farmington Hills.

'Having my two daughters and my two grandchildren.'

— Maria Clark  
Westland

'When I married my wife, Patricia, on Oct. 18, 1951, in St. Christopher's Church in Detroit.'

— Eugenia Szewski  
Livonia

'When I came to this country from Italy in 1970 . . . even though I miss my family there very much.'

— Tony Derrino  
Farmington Hills

'Coming back up here from Texas to help my father, who had had open-heart surgery. I was able to help him after he'd helped me all these years.'

— David Giolosa  
Dearborn Heights

'It hasn't happened yet. That's the way I feel.'

— John Wikemilow  
Livonia

'Probably it's meeting my boyfriend, Steve Myers. We've been together 2 1/2 years.'

— Mollie Higgins  
Livonia

### The call of the yard

If people with rakes and wheelbarrows can be seen working in their yards, can springtime be far behind? No, indeed. In the springtime, a homeowner's fancy turns to . . . yardwork. In the photo above, Peter Popolewcz, bundled against the late-winter cold, rakes the leaves he missed last autumn at his Power Road home.

At Sylvan Learning Center™, we can help kids do better in everything from reading and writing to basic math and algebra. We begin with a test to identify strengths and weaknesses. Then we develop a "customized" learning program that will improve your child's learning skills and study habits. Just a couple of hours a week at Sylvan, and you'll begin to look at report cards a little differently.
