

HOROSCOPE

March 17 through March 23

PISCES (Feb. 19-March 20)
This is a good week to take it easy. Those uptight feelings you've been experiencing will melt away with good old-fashioned fun.

ARIES (March 21-April 19)
Meeting new people will bring you great joy. Taking up a new hobby or activity now will give you a sense of accomplishment.

TAURUS (April 20-May 20)
Concentrate on career concerns this week. When times get tough, make sure you have your facts straight. Be prepared to confront opponents.

GEMINI (May 21-June 20)
Stick with what you know and things will work out. Complete projects you have already started, rather than undertaking new ones.

CANCER (June 21-July 22)
You will need an outlet for your creative energy. Put excess energy to work doing good for those who are less fortunate than you.

LEO (July 23-Aug. 22)
It seems you are surrounded by tension. Avoid conflict because no good will come of it. Know this difficult time will pass quickly.

By C.C. Clark

VIRGO (Aug. 23-Sept. 22)
Take a close look at yourself. Certain areas of your life haven't been what you expected, but you have the power to change it all if you want.

LIBRA (Sept. 23-Oct. 22)
Finances take priority. Managing money well could bring you a big windfall. Don't spend it before you actually have it in your hands.

SCORPIO (Oct. 23-Nov. 21)
A friend needs you to lend a helping hand. Give them all the support you can and listen carefully. You benefit from helping this person.

SAGITTARIUS (Nov. 22-Dec. 21)
Don't let friends and relatives get you down. Take off for some time on your own and think about what is really most important to you.

CAPRICORN (Dec. 22-Jan. 19)
You inspire one who is close to you. Your wise words could change this person's life dramatically. Don't get too involved with this person.

AQUARIUS (Jan. 20-Feb. 18)
Don't let your emotions get the better of you. Keep your head together and rely on others to pick up the extra work load.

March 18-March 24
