WE WELCOME GOD'S MOST ENCHANTING SEASON OF SPRING
When winter snows have left the earth
And warmer breezes start to blow
Behold the annual rebirth.
When grass will soon begin to grow
And tiny buds of leaves will sprout
On limbs of trees in forest glades
Then flowers soon will blossom out
Exquisite in their pastel shades
The air is filled with songs of birds
And humming insects will abound.
A scene of beauty, where no word
Do justice to each sight and sound
Incorporated in the plan,
Or could describe earth living thing
That signifies God's love for man,
When nature comes alive in spring.
- Gloria Novak
