FAITH GIVES US THE COURAGE TO DO THE RIGHT THING
Our refusal to act in any situation because of fear, a reluctance to "get involved," or for some other reason that seems right at the time can bring about some really tragic consequences. For example, if you have reason to believe that someone in your neighborhood is dealing drugs, your failure to alert the authorities could result in the death of innocent persons, including you or a loved one. If you suspect any kind of "bad scene," by all means report it. You can do it anonymously, and if the investigation proves your fears unfounded, no harm will have been done to anyone. Your House of Worship teaches you to do the right thing at all times, and you will never know how many lives you might save by following this advice.
