COCONUT CREAM PIE

One 9-inch pre-baked pie shell
1/2 cup sugar
1/4 cup cornstarch
1/4 teaspoon salt
3 cups milk (1 cup coconut milk can be substituted)
4 egg yolks, slightly beaten
2 tablespoons butter or margarine, softened
2 teaspoons vanilla
1 cup flaked or grated coconut
1 cup sweetened whipped cream

Set pie shell aside. Mix sugar,

cornstarch and salt in a saucepan. Gradually stir in milk. Cook over medium heat, stirring constantly, until mixture thickens and boils. Boil and stir 1 minute. Drizzle small amounts of hot mixture into egg yolks. When temperature is raised, add all hot liquid, return to stovetop, bring to a boil and stir for 1 more minute; remove from heat. Stir in butter or margarine, vanilla and 1/4 cup coconut. Allow to cool slightly. Pour into prepared pie shell. Press plastic wrap onto filling and refrigerate 2 hours. Remove plastic wrap. Top pie with sweetened whipped cream and sprinkle with more coconut. Refrigerate until ready to serve.

COCONUT SHRIMPS

1 pound fresh or frozen shrimp
vegetable oil
1/4 cup all-purpose flour
1/4 teaspoon salt
1/4 teaspoon ground ginger
1/4 teaspoon pepper
3 egg whites
1 1/2 cups shredded coconut
Peel shrimp, leaving tails intact. Remove vein. Mix flour, salt, ginger and pepper. Beat egg whites until foamy. Coat shrimp with flour mixture; dip into egg whites. Pat coconut onto shrimp, covering completely. Fry shrimp in hot vegetable oil, turning once, until coconut is golden, about 2 minutes. Drain and serve.

NEW SENSATION

Klondike, one of the top-selling ice cream bars in the Detroit area, has introduced two new super premium ice cream bars, called Klondike Sensation. The new product, for consumers who are concerned about their intake of cholesterol, is 75 to 80 percent lower in cholesterol content, compared to other super-premium ice cream bars, such as Dove and

Hasgen Daz.

Klondike Sensation is available in two varieties: vanilla ice cream with a thick coating made with milk chocolate, as well as vanilla ice cream with a coating of milk chocolate and roasted almonds.

The new 2.2-ounce ice cream bar contains less than five mg of cholesterol, compared to 20-45 mg for 2.2

ounces in the other super-premium ice cream bars. It comes six bars to a package.

Klondike also makes regular ice cream bars and light ice cream bars, as well as ice cream sandwiches. In a recent Nielsen survey (March '88), Klondike's light vanilla bars were ranked No. 1 in the Detroit area and Klondike's vanilla bars were ranked No. 2.
