

HOROSCOPE

June 9 through June 15

By C.C. Clark

GEMINI (May 21-June 20)

Write down the things you need to remember this week. You are so busy and rushed that some minor details could fall through the cracks.

CANCER (June 21-July 22)

It will be hard, but try to take the backseat regarding work. Let others take the fame. You'll only look better for your selfishness.

LEO (July 23-Aug. 22)

A hot summer romance could be in the works for the lucky Leo. Be careful how you deal with co-workers, especially in financial matters.

VIRGO (Aug. 23-Sept. 22)

Don't let a loved one manipulate your emotions to suit their own needs. Your well-being and mental health should be most important to you.

LIBRA (Sept. 23-Oct. 22)

Pay close attention to money matters. Don't let work interfere with domestic affairs. On the other hand, don't take problems at home to work.

SCORPIO (Oct. 23-Nov. 21)

Your love life could use a little sprucing up. A close friend may have just the recipe. Listen to your instincts and just go with the flow.

SAGITTARIUS (Nov. 22-Dec. 21)

A friend may share a secret with you this week, and it is imperative you keep it under your hat. Take some time off to travel.

CAPRICORN (Dec. 22-Jan. 19)

Sharing yourself with a loved one isn't always easy, but you are learning. Be generous with your love — the results will surprise you.

AQUARIUS (Jan. 20-Feb. 18)

There will be times this week when you think you have lost all control. Don't worry, you've got a lot more going for you than you think.

PISCES (Feb. 19-March 20)

A heavy dose of physical activity will help you mentally this week. All that extra oxygen will give you some much-needed energy.

ARIES (March 21-April 19)

Some people just won't give up until they bring you down. Don't let them do it to you. You are stronger than ever now and can face down anyone.

TAURUS (April 20-May 20)

Tone down your overpowering tendencies. Let others share in the limelight. You reach a decision you have been contemplating a long time.
