"Do you know anybody who will talk about that? That's why I talk about it. The point is, things happen. You are not alone."

But the way the lines are delivered is important.

"If you allp it in, it's kind of like you are having coffee with your friend, and you know where he is coming from, and he's not trying to offend anybody. He can say kings that are a little off the edge that you can't say to some-

Tambarino also pokes fun at himself — for instance, his lack of knowledge about sports.

"I don't know a darn shout sports about sports. You know, there are two million people who break to his a sweat if they are asked what did the Sor do?"

However, he said he can basically joke about any subject — Including sports — because "Il you are trying to be a good comediant; it's the same thing as trying to be a good basketball player.
