Help us make steps in the fight against AIDS

If you knew a healthy, happy baby had died suddenly without reason, you'd want to help. There are over 7,000 babies who die from a cruel, mysterious killer. It's called AIDS: Sudden Infant Death Syndrome.

Perhaps you've heard AIDS referred to as "Crib Death." But maybe you didn't hear that AIDS is the number one cause of death in infants from one week to one year.

babies of all races and religions. And it's not hereditary.

Donations of your time and dollars will make a difference. And we can make bigger steps to fighting AIDS.
