Walter Coon of Farmington was a visitor at the Parmenter home, Sunday.

Thelma Aldrich has been laid up with la grippe.

Mr. and Mrs. Charles Rodgers entertained a number of friends Saturday evening.

## Reciprocity

"Oh, look, Charles," exclaimed the author's wife. "what a beautiful present I bought for you—a lovely set of lace curtains for the dining room!"

"I anticipated your thoughtfulness, dear," said he, "and just see what I have got for you—a cunning little portable typewriter—for my desk!"—Life.

## Less Maple Sugar Made

For years maple sugar production has declined largely because the public prefers sirup to sugar, and the larger portion of the sap has been made into sirup. In the last five years there has been a decline in the sugar from 9,787,000 pounds to 3,266,000 pounds.

## Timber for Mine Props

A substantial part of the timber cut in Upper Michigan is used as mine props in both the copper and iron mines of that territory. Dr. Forephos Zon, of the United States forest service, estimates that this reaches \$7,500,000 annually in Michigan and Minnesota alone.

## Comedian Got Even

George Robey, the English comedian, has a remarkable faculty for altering his face. One day, as he was walking along the street with a friend, a "youthful loafer" proceeded to make faces at him. The friend, who affected to be horrified, suggested that Robey rebuke the boy. "Oh, I've already punished him," remarked the comedian. "How?" queried the other. "You did nothing." "Yes, I did," was the reply. "I made an uglier face at him."

## NOTICE

Notice of hearing of objections to proposed improvement under Act 59, Public Acts of 1915, as amended, of assessment district road No. 467.

To all persons interested in said proposed improvement and to the townships of Farmington in Oakland County, Livonia, Wayne County, and to the Counties of Oakland and Wayne.

Whereas, A petition has been filed with me as the State Highway Commissioner of Michigan, praying for the improvement of the highway commencing at the south section corner common to sections 33 and 34, town 1 north, range 9 east, Farmington Township, Oakland County; thence east on the section line between sections 34, 35 and 36, said Farmington Township and fractional sections 3, 2 and 1, town 1 south, range 9 east, Livonia Township, Wayne County, to its intersection with State Trunk Line Road No. 16; and

Whereas, I, as such commissioner, am of the opinion that the proposed improvement is necessary for the benefit of the public and would be for the convenience and benefit of the public welfare; and

Whereas, I have made my first order of determination, stating that the proposed improvement is necessary as aforesaid, and have caused a survey and specifications and estimates of the cost thereof to be made and filed with me as such commissioner; and

Whereas, The specifications made by me are not yet final and will not be made final until after the hearing of objections to the same by all persons interested therein; and

Whereas, I have determined the boundaries of the proposed assessment district for improving said highway in Farmington Township, in Oakland County, Livonia Township, in Wayne County, as above described; and

Whereas, It is proposed to improve said road or highway by constructing therein a Class F cement concrete road 20 feet in width, together with the proper culverts, bridges, drainage and grading under the provisions of an act, entitled "An Act to provide for the construction, improvement and maintenance of highways;" for the levying, spreading and collecting of taxes and of special assessments therefor; to authorize the borrowing of money and the issuance of bonds under certain restrictions, regulations and limitations; to prescribe the powers and duties of certain officers with reference thereto; and to validate certain proceedings heretofore taken," Act 59, Public Acts of 1915, as amended.

Therefore, All persons affected thereby and the townships of Farmington, in Oakland County, Livonia, in Wayne County, the Counties of Oakland and Wayne and all persons owning or interested in any real estate in said Townships and Counties are hereby notified that I will be present at the church near the southeast corner of section 35, town 1 north, range 9 east, Farmington Township, Oakland County, at 1:00 o'clock p. m., Central Standard Time, on the 23rd day of March, A. D. 1926, for the purpose of hearing objections to the proposed improvement and for the purpose of finally determining the limits of the said assessment district.

The proposed assessment district for such highway is described as follows, to-wit: Said proposed district includes all lands within the following boundaries:

Commencing at the east  $\frac{1}{4}$  post on the south side of section 36, town 1 north, range 9 east, Farmington Township, Oakland County; thence north  $\frac{1}{2}$  mile on the east north-and-south  $\frac{1}{2}$  line of said section 36, to its intersection with the east and west  $\frac{1}{4}$  line of said section 36; thence west  $\frac{3}{4}$  miles on the east and west  $\frac{1}{4}$  line of sections 36, 35 and 34 to the  $\frac{1}{4}$  post on the west side of said section 34; thence south  $\frac{1}{2}$  mile on the west side of said section 34 to the south section corner common to sections 33 and 34; thence east on the south side of said section 33 to the north section corner common to fractional sections 3 and 4, town 1 south, range 9 east, Livonia Township, Wayne County; thence south  $\frac{1}{2}$  mile on the section line between fractional sections 3 and 4 to the  $\frac{1}{4}$  post common to said fractional sections 3 and 4; thence east 234 miles on the east and west  $\frac{1}{4}$  line of fractional sections 3, 2 and 1, to its intersection with the east north-and-south  $\frac{1}{2}$  line of said fractional section 1; thence north  $\frac{1}{2}$  mile on the east north-and-south  $\frac{1}{2}$  line of said fractional section 1 to the place of beginning.

And all persons interested are hereby notified that it is the intention of the State Highway Commissioner to assess all lands within the limits of said assessment district as finally determined at said hearing, on account of the improvement of said highway according to the plans and specifications on file in the State Highway Department.

Given under my hand at Lansing, Michigan, this 24th day of February, A. D. 1926.

FRANK F. ROGERS,  
State Highway Commissioner.

Small Enterprise Liners bring big returns.

# Is Real Estate a Good Investment ?

ARTHUR BRISBANE SAYS—"There is just one thing that is safe and permanent as an investment, and that is the earth on which we stand. While our system of private ownership of real estate shall last, the man who owns no ground cannot call himself free or safe."

THEODORE ROOSEVELT SAID—"Every person investing in well located real estate in a growing section of a prosperous community adopts the safest method of becoming independent, for real estate is the basis of all wealth."

PRESIDENT COOLIDGE SAYS—"The ownership of a home, the feeling of independence that comes with possession of a bit of earth, are among the most powerful incentives to high civic interests."
