IT WON'T BE LONG NOW!

Supply and Demand Govern Prices

The demand for property in and near Farmington is going to be much greater in the next twelve months because of more and better roads; and the boosting the Greater Farmington Association is giving to Farmington and vicinity.

The supply of real estate is limited. There is only so much; consequently prices are bound to be higher.

Come in and talk it over and we will show you where and how to invest for the greatest safety and profit.
