MICHIGAN BELL TELEPHONE CO.

Suggests a Telephone Night for the
Young Folks Away at School

You can experience the pleasure of talking regularly with the son or daughter attending school, although they are far away. Establish a certain night of the week as *Telephone Home Night*, where they can place a call for the home telephone number.

Such a call is known as a *Station-to-Station* call, and costs appreciably less than a call placed for a *Particular Person*. It is the kind of call to make when you are reasonably certain the person to whom you wish to talk will answer the telephone or can be called to it quickly.

In placing a *Station-to-Station* call, if you do not know the number, say to the *Long Distance Operator*, for instance, "I want Mr. John Smith's residence, 250 Sayre Street, Lansing, Michigan." Be sure that you do not specify to the operator that she call any particular person. A call placed for a particular person is known as a *Person-to-Person* call, and costs more than a *Station-to-Station* call.

There are reduced Evening rates on *Station-to-Station* calls, from 7:00 p. m. to 8:30 p. m., with further reduction during the *Night rate* period, 8:30 p. m. to 4:30 a. m.
