Cooking in Comfort

The Electric Range takes cooking out of the class of drudgery.

You don't have to keep an eye on your cooking or worry about its progress. The little clock controlling the current relieves you of all that. You put your meal to cook, set the clock—and go about other duties. *When your dinner hour comes, your dinner will be ready for the table.*

Scoring Greatest Success in All Chrysler History

THE ILLUSTRIOUS NEW CHRYSLER

Counterweighted 7-Bearing Crankshaft and Rubber Spring Mountings Made Possible for the First Time at Such Prices

MOST unusual, even for Chrysler, has been the reception given to the Illustrious New "72."

But no other result could have been possible, because no other car combines such rare quality and value.

Before the "72," no car in the \$1500 class or even in the \$2000 group provided counterweighted 7-bearing crankshaft in a 75 horsepower engine; spring ends anchored in blocks of live rubber; and long, roomy, handsome bodies in such correct taste.

Every Chrysler Dealer is eager to show you the Illustrious New "72"; to put it through its paces. Only by riding in it and driving can you familiarize yourself with this new performance, this new smartness that has been responsible for the greatest success in all Chrysler history.

Illustrious New Chrysler "72" prices—Roadster (with rumble seat), \$1495; Sport Roadster (with rumble seat), \$1525; 2-passenger Coupe (with rumble seat), \$1545; Coupe (4-passenger), \$1595; Royal Sedan, \$1595; Sedan (4-door, close-coupled), \$1695; Crown Sedan, \$1745; Convertible Coupe (with rumble seat), \$1745; f. o. b. Detroit, subject to current Federal excise tax. Chrysler dealers are in position to extend the convenience of time payments.

New Chrysler "Red-Head" Engine—designed to take full advantage of high-compression gas, is standard equipment on the roadsters of the "52," "62," "72" and sport roadster of the Imperial '80." It is also available, at slight extra cost, for all other body types. For a reasonable charge it can be applied to earlier Chrysler cars now in use.
