THE CITY OF FARMINGTON
ORDAINS:

Controlling and Regulating Signs

Section 1. No person shall ob-
struct or erect or encumber any
street, alley, area or building
with any sign or thing whatso-
ever without first submitting a
proof or blue print thereof to the
Commissioner of the City of Farm-
ington for their approval and ob-
taining a permit therefrom, and,
provided further, that nothing in
the way of a structure, sign or
framework, covered or uncovered,
of even a quasi-permanent char-
acter, attached to the front or in
front of any building, shall be
permitted to be constructed or
maintained so as to extend into
the street beyond any lot line,
without first submitting a proof
or blue print thereof to the Com-
missioner of the City of Farming-
ton, and any such as are now ob-
jectionable or hereafter construct-
ed and attached without having
obtained a permit therefor shall
be removed within twenty-four
hours after notice from the De-
partment of Public Works, to the
owner or occupant of the build-
ing to remove the same, failing
obedience to which notice the De-
partment may summarily remove
same.

Section 2. All permits shall be
obtained from the City Clerk but
only after the plans or blue prints
have been approved by the Com-
mission, and the endorsement of
the Commissioner of Streets and
Sidewalks appears thereon.

Section 3. No person shall post,
place or put any bill, sign, notice,
placard or other encumbrance on
any tree, fountain, post, railing,
fence or other erection in or sur-
rounding any park or cemetery.

Section 4. The notices to be
given by the Supt. of Public
Works as above shall be served
upon the owner or occupant, con-
tractor or builder and if they or
either or any of them cannot be
found it shall be securely posted
in some conspicuous place on
such premises or abutting build-
ing. Provided, that a compliance
with said notice, or the removal
of the obstruction by the Supt. of
Public Works shall not operate
as a suspension of the penalties
of this ordinance; and that for
each and every day that any vio-
lation of the provisions of this
ordinance continues after notice
as above until removal, the owner
or occupant, or builder or contrac-
tor, as the case may be, either
or all, may be complained of as
for an original and distinct of-
fense, and may be punished as
hereinafter provided.

Section 5. Any violation of the
provisions of this ordinance shall
be punished by a fine not to ex-
ceed One Hundred (\$100.00) Dol-
lars and costs of prosecution, and
the offender may be imprisoned
in the Oakland County Jail until
the payment thereof, providing,
however, that the term of such
imprisonment shall not exceed
ninety days on any single convic-

Christmas Merry

Is No Holiday For The
Gas Man

Home and the kiddies for you on the hol-
iday means a busy day for the gas man.
He's right on the job to make your cele-
bration complete—save you the work
of cutting wood, carrying in coal, keep-
ing up the fire in the kitchen range.

All winter long your leisure days are his
heaviest days for it is then that the de-
mand for gas service reaches its peak
—Christmas, Thanksgiving, and Sun-
days between November and March.
"The spirit of service" keeps ever be-
fore him the tradition that the gas
business is a 24-hour, 365-1/4 day busi-
ness, that it's fires never go out, winter
or summer, good times or bad times,
day or night, holiday or "everyday."

So when you say "Merry Christmas" over
the table of holiday food—just give a
thought to the gas man—on the job
for you.
